

How to verify your identity using the Credas app

The Credas mobile app has been designed to be secure, quick and easy to use, enabling you to **verify in less than a minute.**

1 Receive an invite via email or SMS

2 Click the link to download the app

3 Enter your unique code

4 Enter your email

Your unique code will be in your email or SMS

5 Check the details

6 Read & accept T&Cs

7 Select take a selfie

8 Take a selfie

9 Copy the action*

*Our passive liveness technology automatically determines whether it is a live and present person. However, if this fails they will be asked to take a second selfie and perform a unique action.

10 Select scan ID

11 Select ID document

Don't forget to have your photo ID to hand

12 Scan ID document

i If you're unsure about what ID document(s) are required or why you've been asked to complete a verification, please contact the business that sent the request.

13 Check the scan is clear

Make sure your ID is readable and clear with no glare or blur

14 Select personal details

15 Enter personal details

16 Click submit to finish

No data is held in the app.

Simple. Slick. Smart.
